We look forward to work for the promotion of employment opportunities in Agri business Sector; Shaza Fatima Khawaja

Special Assistant to Prime Minister on Youth Affairs Shaza Fatima Khawaja had a preliminary meeting with the representative of Nestle Pakistan. Potential avenues for collaboration in the agriculture industry were discussed during the meeting.

Sapm stated that Prime Minister's Youth Programme has plans of assisting young farmers who are the backbone of our economy. She said that plans are being devised to invest in Agri business especially in dairy sector. Prime Minister's Youth Programme is a holistic venture focusing on diverse fields and topics for the betterment of our young population.

She said that the private sector can play an integral role in accomplishing our mission of empowering youth. Nestle being a renowned brand has an incredible track record of providing efficient services to the people of Pakistan. We expect that Nestle will assist us in launching different Agri programmes to assist the downtrodden.

Representative of Nestle Mr. Zeeshan praised PMYP'S interest in the Agri sector and assured full support from their organization. He said that nestle also has plans of beginning a loan scheme for the people from the grass root level.
